## 1. Introduction

Under UK data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **suppliers of goods and services that the school contracts with, including their individual representatives, employees and agents**. References to "you" and "your" in this privacy notice cover all these individuals.

We, Bournemouth School, East Way, Bournemouth, BH8 9PY, are the 'data controller' for the purposes of UK data protection law.

Our Data Protection Officer is Mrs L Domeney (see 'Contact us' below).

## 2. The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Names, characteristics and contact details of representatives and other individuals employed by you or working on your behalf who we liaise with, and who are carrying out duties under your contract with us
- References, CVs and details of an individual's employment history, if collected as part of a bidding, tendering or engagement process
- Bank details and other financial information where it relates to an individual, such as if you're operating as a sole trader

- Any other personal information necessary to fulfil the terms of a contract we have with you
- Information relating to visits to the school, e.g. the individual's company or organisation name, arrival and departure time, car number plate

If our contract with you requires you or your representatives, employees or agents to visit or carry out any work at the school site, our privacy notice for visitors to the school will also apply.

We may also collect, use, store and share (when appropriate) information about you that falls into "special categories" of more sensitive personal data. This includes, but is not restricted to:

- Information about any access arrangements that may be required
- Photographs for identification purposes
- CCTV images captured in school
- Information about any health conditions you have that we need to be aware of

We may also hold data about you that we have received from other organisations, including other schools and social services.
