## JCQ AI and assessments poster for students

This poster is a quick guide to help you to better understand the rules for use of AI in assessments.

# AI and Assessments

## A quick guide for students

### What is AI?

-  AI stands for artificial intelligence and using it is like having a computer that thinks
-  AI tools like ChatGPT or Snapchat My AI can write text, make art and create music by learning from data from the internet, but watch out – they can also make things up and be biased

### How can AI be misused in assessments?

AI misuse is when you take something made using AI and say it's your own work.

## THIS IS CHEATING!

### How do I make sure I don't misuse AI?

-  **Know the rules**
  -  You're **not allowed** to use AI tools when you're in an exam
  -  Your teachers will tell you if you're allowed to use AI tools when doing your coursework – the rules will depend on your qualification
  -  Even if you're allowed to use AI tools, you can't get marks for content just produced by AI – your marks come from showing your own understanding and producing your own work

### Reference reference reference!

If you're allowed to use AI tools, you must reference them clearly

-  Name the AI tool you used
-  Add the date you generated the content
-  Explain how you used it
-  Save a screenshot of the questions you asked and the answers you got

### Declare it's all your own work

When you hand in your assessment, you have to sign a declaration. Anything without a reference must be all your own work. If you've used an AI tool, don't sign the declaration until you're sure you've added all the references

## REMEMBER

Misusing AI is cheating!

Know the rules

Talk to your teachers

Reference clearly

### What happens if I misuse AI?

If you've misused AI, you could lose your marks for the assessment – you could even be disqualified from the subject.

## DON'T RISK IT!

- who to contact at school or college in case there's an emergency that makes you late or unable to sit your exam.

### What you cannot take into exams:

- any type of phone
  - revision notes
  - any type of watch (this includes analogue, digital and smart watches)
-

- Fill in your details on the front of your answer booklet.
- If you need additional answer sheets, raise your hand and wait for an invigilator who will provide you with one. Remember to add your details to this booklet.
